**Trash, Recycling, Yard Waste Pickup Day changing for many Republic Customers in Albany, Lebanon, Linn County, and Scio**

Effective May 8, many Republic Services customers in Albany, Lebanon, Linn County, and Scio will have a new trash, recycling, and yard waste pickup day. Pick up days for customers in Millersburg and Harrisburg will not change. Republic Services sent postcards the week of April 17 to affected customer's address informing them of their new pickup day.

"Albany and surrounding Linn County are growing, and for many years we accommodated new neighborhoods by adding them to existing routes as they made sense," said Julie Jackson, Municipal Manager for Republic Services in western Oregon. "But eventually we need to do a re-route to maximize efficiency and get routes back to manageable sizes. We are at that point now."

In addition to postcard mailers, Republic is notifying customers of route changes by:

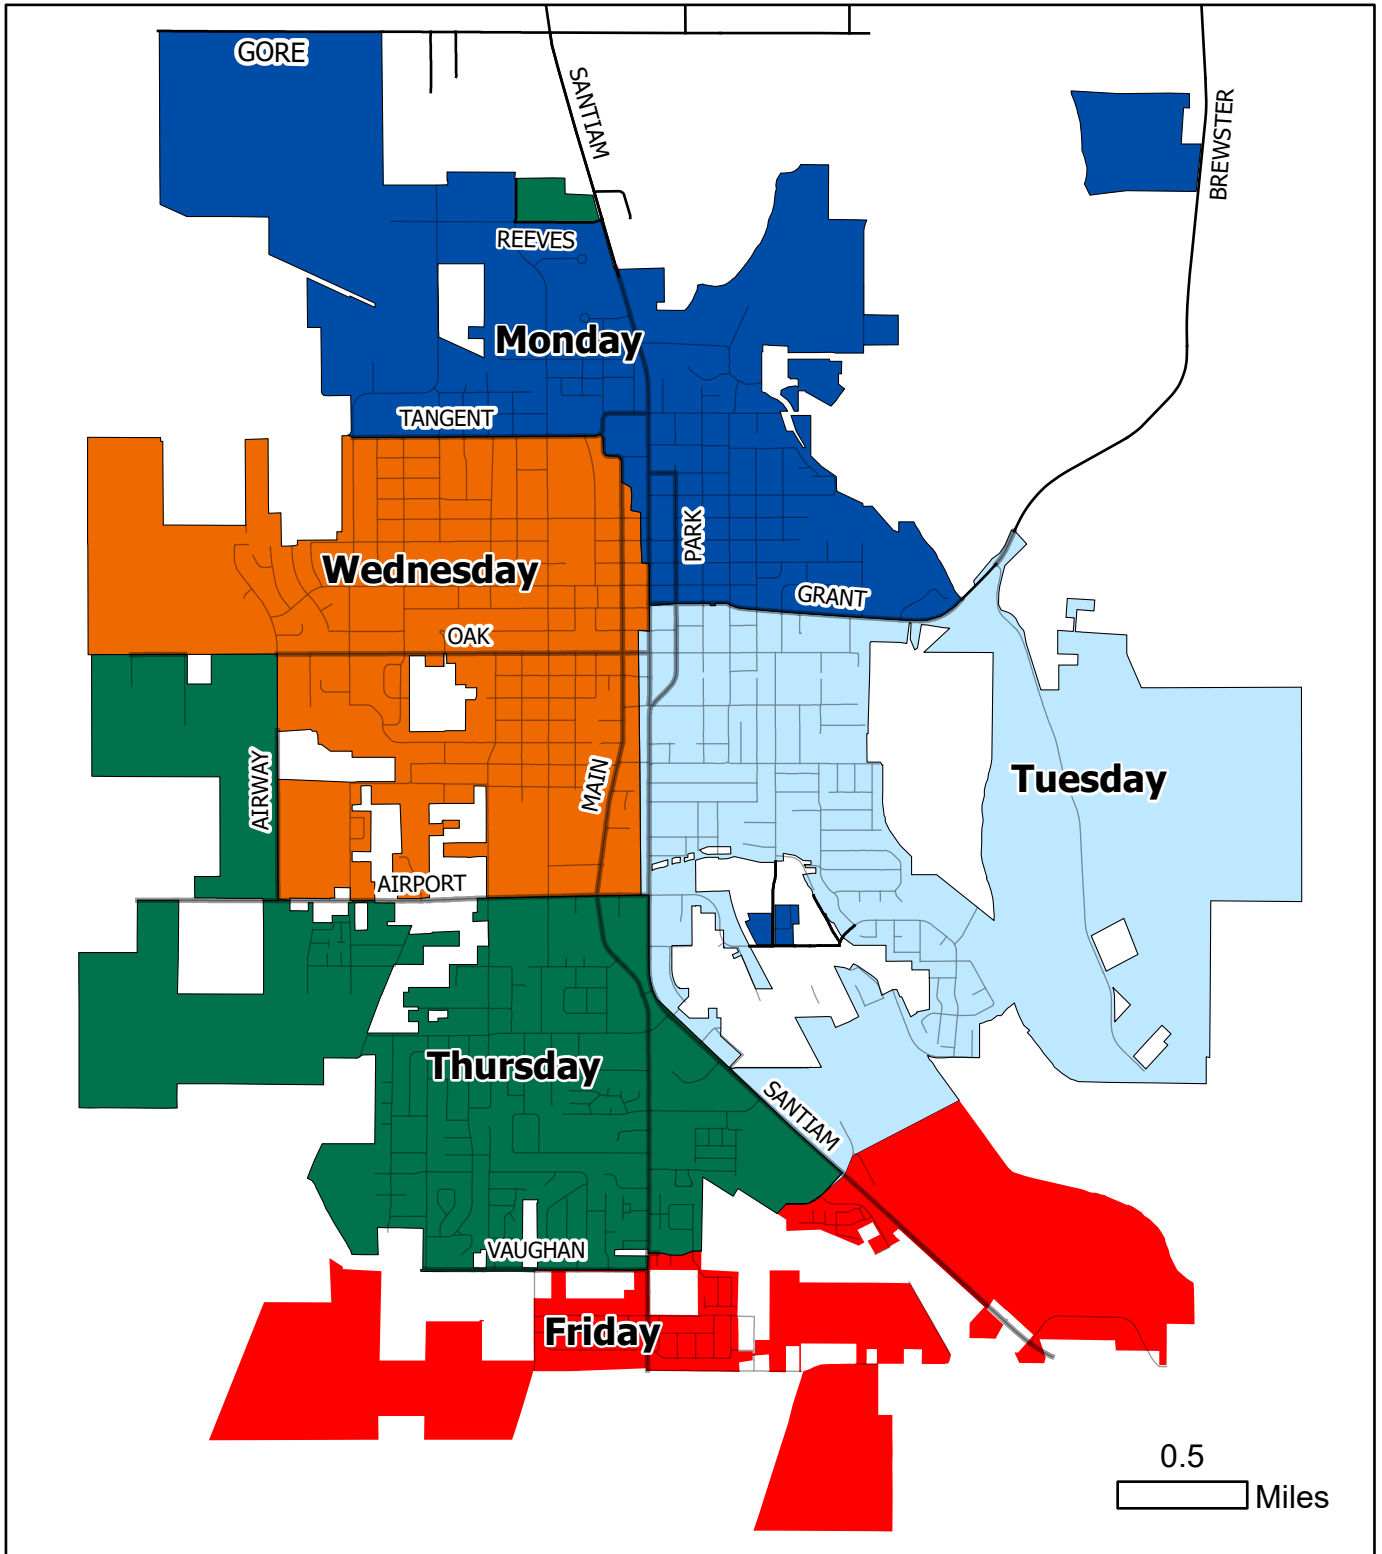

- Partnering with affected cities to post information on social media
- Updates by May 7 to the region-dedicated website:  
<https://www.republicservices.com/municipality/albany-or>
- Call blasts on May 7 and to customers the day before their new collection for the following two weeks.
- An advertisement in the May 6 issue of the Albany Democrat-Herald.
- Customers will be able to see their new pickup day on the Republic Services website and in the app beginning May 5. The app is available to download on both [Apple](#) and [Android](#) devices.
