# FACULTY

Jean Lasseter, Al French, Vincent Bishop head of the School Board, Ken Vorderstrasse and Tom Davis.

This years School Board consists of five members, three of which are new to the board and were helped to understand what things are going on in the school. The School Board governs the policies that direct the school and are a very important part of the school and its operation.

The School Board's main goal is making this year run smooth, and since the budget did not pass, making an affective adjustment for next years budget. They have also been working on changing the graduation requirements to comply with the State Board of Education which should be in effect in the 1986-87 school year. Another goal is trying to maintain a full school year with the defeat of the budget. Working towards next years budget is a very big part of the School Boards activities. Getting the most education benefits for the students is also a high priority. The five members of the School Board are very sincere and we all should appreciate what they are doing to help the students and the school

When asked to make a comment to the students and the school here is what they said:

*"I am proud to be a member of the School Board. I am also pleased to walk down the halls, the kids are the best acting and the cleanest."*

Vincent Bishop

*"There is alot of learning going at L.U.H.S. The teachers are having to put out a lot of effort because of the budget cut."*

Jean Lasseter

*"L.U.H.S. is a tremendous school that has excellent teachers and great students."*

Tom Davis

*"All of my comments are positive. The school is super and so are the teachers. The students are an excellent group. The programs at the High School are really super."*

Al French

# Administration

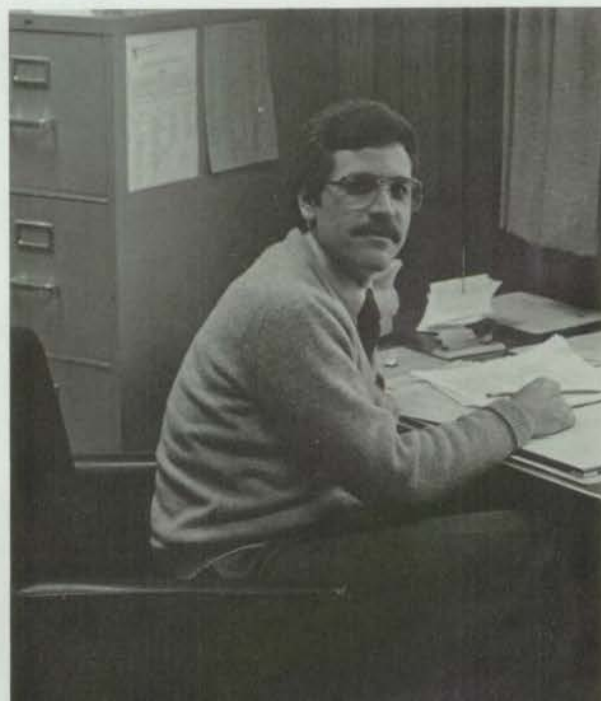

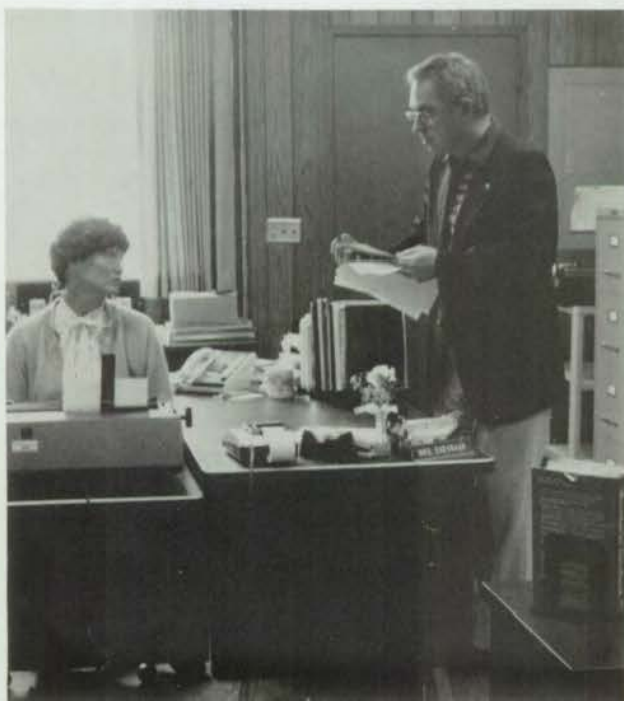

Lebanon Union High School's Administration consists of: Evan Richey, Principal; Gene Eakin, Vice Principal; Carol Beatty, Assistant Principal; Dick Weisbrodt, Athletic Director; Don Carroll, Vocational Director.

Central Office includes: Steven R. Wisely, Superintendent; Royal "BUZZ" Collins, Personal Director; and Sandi Cloyd, Business Manager. These people, working together, are helping in many ways to make this 1984-85 school year a success for all.

**Steven R. Wisely**, Sandi Cloyd, and Royal Buzz Collins pose in front of the Central Offices.

**Dick Weisbrodt** speaks with secretary.

**Joe Weiss** sits at his desk.

"At years end we sometimes rejoice, sometimes regret, and sometimes look forward because we know a change has taken place and new experiences will be greeted with anticipation.

If you have ever seen a stream in the mountains, you know that it bubbles along over rocks and sometimes over rapids. There are waterfalls and whirlpools and it can often be rough and violent. Growing up can and often is experienced in a similar manner. Yet, like the water that is clear and sparkly in the sun, life can be that way too.

Our lives constantly change as we grow and learn. Like the rapidly tumbling mountain stream which finally reaches that placid pool, pond or lake and calms, so too do our lives. We expect and accept change. The change we see in students during the four years at LUHS is reward enough to help us look once again to our next year and a new challenge and changing times."

**EVAN RICHEY**

Mr. Eakin is the department head of counseling and is therefore responsible for administering all aspects of the counseling, testing and career developing programs. As assistant principal he works with students who have discipline or attendance problems; administers the school's staff development program; and supervises the counselors and the teachers in science, math, P.E. and health.

"As one of the assistant principals, one of my primary jobs is the curriculum which means I supervise all matters relating to teaching schedules, student schedules, course offerings, and coordination among departments and local schools.

Other responsibilities include dealing with attendance and discipline matters, teacher supervision and evaluation, chaperoning dances, working with parents."

Talking with the department head of Social Studies, Mr. Walker, it was obvious to see that the defeat of the budget brought on some changes to this area. Although there were no classes dropped from this section, some teachers were required to take on more classes. Mr. Soule, for instance, was brought into this department and picked up a U.S. History class. Similarly, Mr. Walker helped out the language department by picking up two classes from that area. The major problem, according to Mr. Walker, dealt with the shuffling of the kids. Mr. Mausen, agreeing, believes that the class loads seemed to have increased this year. In the Reading department, Mrs. Schmidt moved into the Chapter One reading program. A new face to this area, Miss Kellogg, also taught Chapter One reading. Chapter One deals with working with the basic Frosh teachers in all subjects. The teachers set up instructional and discipline guidelines and all have a first period prep in order to meet.

1. Mr. Mausen and Mr. Phillips huddle together and devilishly smile as they finish planning new tortures to try out on their football players.
2. Mr. Castle chuckles and grins as his "little red pen" races across all those papers with mistakes.
3. Some sly photographer startles Mr. McDaniel as he sips his early morning coffee.

Students are more and more interested in foreign languages such as French, Spanish and German as Mrs. Hamer said "French is growing year after year because students think it is a real challenge to learn" Also Mrs. Lorraine Strand, the new head language art department added that she was really proud about the way students and teachers have adjusted to problems at LUHS had met. Because although the budget didn't pass it seems that students are still enthusiastic and working hard to handle the situation. In fact speech 1 and 2, Humanities Mass Media, BC4 and 4 sessions of French were dropped along with two teachers.

The Vocational Department serves as a vital link between LUHS and the job market. Some classes offered in this department are Welding, Woodshop, Autoshop and Home Economics. The students prepare for their future jobs by participating in projects such as housebuilding and furniture making.

In the Metal Shop, where students work almost independently, precision-measurement is emphasized. As a fundraising project the Building Construction class built a house. The Auto Shop was also undertaking a major project by preparing a car to be a Woodburn-dragster. With the failure of the school budget in September, the Auto Shop lost one teacher but other classes have not been largely affected.

With the help of the art production class, the Warrior Trading Post has come out with many new items. They have also added a flower hut where they make their own flower orders. About the end of September they started selling pop in the student center, people really liked that.

The art classes are few now that the budget didn't pass. Many students had to change their schedules because the classes were too full. Photography and the art production classes were the only ones that weren't cut from the program.

# Math and Science . . .

The Math/Science Department has undergone some changes for the year 1984-85. In the Math section of the department, the Calculus class has been dropped because of the Budget that failed in September.

In the Science section of the department, AP Chemistry; Earth Science; and Science Principles, with eleven sections left, were also dropped on October 2, 1984.

Mr. Machamer, head of the Math/Science Department, stated, "We have built a new Science room." Room 34 has been made larger by having the wall to room 32 knocked out. This was done in order to have more lab tables added to the room. Also, this year is Mr. Brown's last year here at LUHS. Mr. Brown teaches Biology 1 and 2, and he also teaches AP Biology. We all say to you Mr. Brown, "Good luck to you in the future!"

Mr. Wentland is in his second year of being school nurse and really likes his job. "Aiming for a Higher level of wellness," is what Mr. Wentland's Health Careers Class is all about. While also being in charge of the Health Career's Classes he also took over teaching Parenting, which introduces boys and girls to prepare to be good parents and also how to care for a family. All of his career classes did alot of on the job training in school such as giving bed baths to students and working in real life situations. The Health Classes help to prepare students for almost any health related jobs such as Dentistry, Dietician, Nurses, and Medical Receptionists.

This year the Guidance Center has had to work hard because the office has decided to use the computer to figure out students' schedules and students' grades. Many schedules have had to be changed because the computer program was not run right for the schedules, there were Senior students who were placed in classes they had already taken, and there were other such cases.

The secretaries have been changed around in the areas they work in, but the counselors have remained in the same area. Working in the office as secretaries are Myrna Bennett and Patty Palmer.

Mrs. Johnson and Mrs. Allen teach three basic communication classes which are split into pre-Algebra, study skills, and content studying. They have also been able to teach all the students how to use the word processor. This helps the kids to correct their assignments easier and learn how to use the computer.

There is also an independent living skills, basic consumer math, a unit of drivers ed, usage of maps and a semester of budgeting. Sherry Fuller is the other Resource teacher that teaches the group of students that are going to get a modified diploma. They go through classes such as Career Prep, Human awareness, Basic Math and Reading and also have the option of going through the work experience program.

THE Library staff has done a good job keeping the library much quieter with adding more tables to spread the students out to provide better studying habits. Mrs. Arlington took over as head Librarian while Mr. Leppink now teaches all computers. Mrs. Arlington did a marvelous job organizing the library with the many changes that took place. Over the past 4 years the library has taken on a new look. It has added more resource materials and bigger variety of books. Plus the addition of the 3 new library aides there is now more people to provide help for the students. The library is now a much better place to study because of the changes.

Here we see the Secretaries as themselves. The secretaries have a big job, they take care of all the office work and any others jobs that come up. They have to answer phones, do paper work and also act as everyones mother as they will all attest to. These women are what hold this school. They have done a wonderful job this year and we would like to say a BIG THANK YOU to all of them.

# ATHLETICS

This year's sports program is going strong. 50% or better of the student body will participate in the sports program this year, claims Dick Weisbrodt, Athletic Director.

Lebanon has always been competitive at all levels and this year is no different. But whether we win or lose, the fans are always out there to cheer us on.

# Warriors Overcome Adversity: Have a Good Year

1st row (l-r): Jim Renteria, Trevor Spires, Reid Holcomb, Shon Pyle, Don Roosa, Bill Primasing, Allen Gillett. 2nd row: Dan Turner, Mike Purcell, Kevin Landis, Mike Belcher, Eric Buckner, Roger Lowe, Robby Gray, Troy Townsend, Mike Walsh, Roy Stevens. 3rd row: Steve Lane, David Sifton, David Wessels, Ken Savage, Pete Drake, Brian Swanson, Mark Hildebrandt, Mike Aitkin, Chris Metcalf, Steve Bauer, Marc Beemer. 4th

First year head coach, Don Tomlin, guided the 1984-85 Warrior Varsity Football team to a 6-3 League season and a fourth place finish in Valley League. Plagued by key injuries during the season, Lebanon came back to win three playoff games and finish as the top Valley League school in the playoffs. "I'm sorry for our seniors mostly," said Tomlin, who directed the Warriors to the state semi-finals before losing to state runner up Lakeridge Pacers, 10-0. "But I'm proud of the way this team overcame all the adversity during the season. There have been better teams here, but not one with the heart that this team has." The Warriors defeated Centennial: 23-8, Rex Putnam: 27-24, and North Bend: 6-0, before facing Lakeridge in the playoffs.

Many of the Warriors helped contribute to their winning season. At the end-of-the-season banquet, these awards were given to the following players: Outstanding Offensive Linemen: Tom Eberlie, Outstanding Defensive Linemen: Ken Savage, Outstanding Offensive Back Don Roosa, Outstanding Defensive Back: Mike Peterson, Most Inspirational: Brian Swanson, Most Dedicated: Brian Swanson, Most Improved: Mike Belcher and Todd McKinney, Team Captains: Tom Rappé, Don Roosa and Mike Peterson.

Another special award includes KFLY's Oregon player of the week. Brian Swanson was chosen for the North Bend game and Mike Patterson for the Putnam game. Lebanon was the first team to have more than one player chosen in the season.

For Valley League All-Stars selections, the following players were honored. First Team: Tom Rappé(tight end), Ken Savage(defensive end), and Mike Peterson(safety). Second Team: Mike Patterson(linebacker), Don Roosa(linebacker), Don Roosa(punter), and Mark Hildebrandt(receiver).

In the All-State Team selections, the following Warriors were honored: First Team: Tom Rappé(tight end). Third Team: Ken Savage(defensive lineman) and Mike Peterson(defensive back). Honorable Mention: Mike Patterson(linebacker).

Thanks, Warriors, for a job well done. You are always #1 in our hearts and we love you!

Most opposing fights were overcome by the strong team working together. They pulled through many of their winnings with their strong offense and determined defense. They had a very good year with many strategeous and easy-going games. **JV FOOTBALL.** The JV football team of 1984 had an excellent year under the advising of coaches Deacon and Grey. The Sophomores and Juniors of the JV team were able to blend together and make a cohesive unit which greatly enabled them to succeed in the 1984 football season. The team grew and

improved greatly throughout the '84 season, which showed that the aggressiveness and team work was a

large factor in the success for the Warriors. The 1984 JV football season ended with a victorious 7-2 record.

The 1984-85 volleyball teams had a very successful year. The Varsity team was made up of four Seniors, three Juniors, and four Sophomores and according to Coach Speth was the youngest in the school's history. The J.V. team was made up of five Juniors and six Sophomores and were very strong and competitive. The Frosh team was a very strong team and will be a great addition to next years teams. Coach Speth said that in spite of the Varsity teams inexperience they were quick and particularly strong on defense. The starters for the Varsity team were: Seniors Jodi Fitzwater and Kristi Parker. The setters were Jodi Looney and Felicia Johnson. Other starters included Amy Rieskamp, Ann Gall and Stacey Funderburg. Surely we are all looking forward to next years teams.

# Gymnasts: Proud perfect

This year the Gymnastics team started a little slow because they were young and rebuilding, but nobody would have known it though, the team won their opening meet against West Linn, David Douglas and Lake Oswego - all Portland schools which are usually tough. The girls showed how much talent they did have even though they were a young team. The girls steadily improved as Ann-Marie Tomlinson, Tonia Case and Nikki Yanick held the team together as the backbone of the competitors. They each performed consistently with scores to 25 points apiece which accounted for over half of the scores at each meet. Individual competitors on the team which were standouts throughout the year were Tiffany Canoy and Jamie Jones on vault; Shea Park and Tracie Henderson on beam; Tina Garrett and Alisa Anderson on bars; Tami Bennett and Becky Sheppard on floor. This year the team advanced 3 girls to the state meet. On Floor; Tonia Case, Vault; Nikki Yanick and Ann-Marie Tomlinson on All-Around. All these girls did an outstanding job considering their young talent which is a true accomplishment. At the Awards Banquet the Coaches Award Went to Tami Bennett who has been a four year participant on the team. Most Improved went to Tonia Case and Most Inspirational went to Ann-Marie Tomlinson.

**Lance Thill** caught in the action, wondering where the ball went.

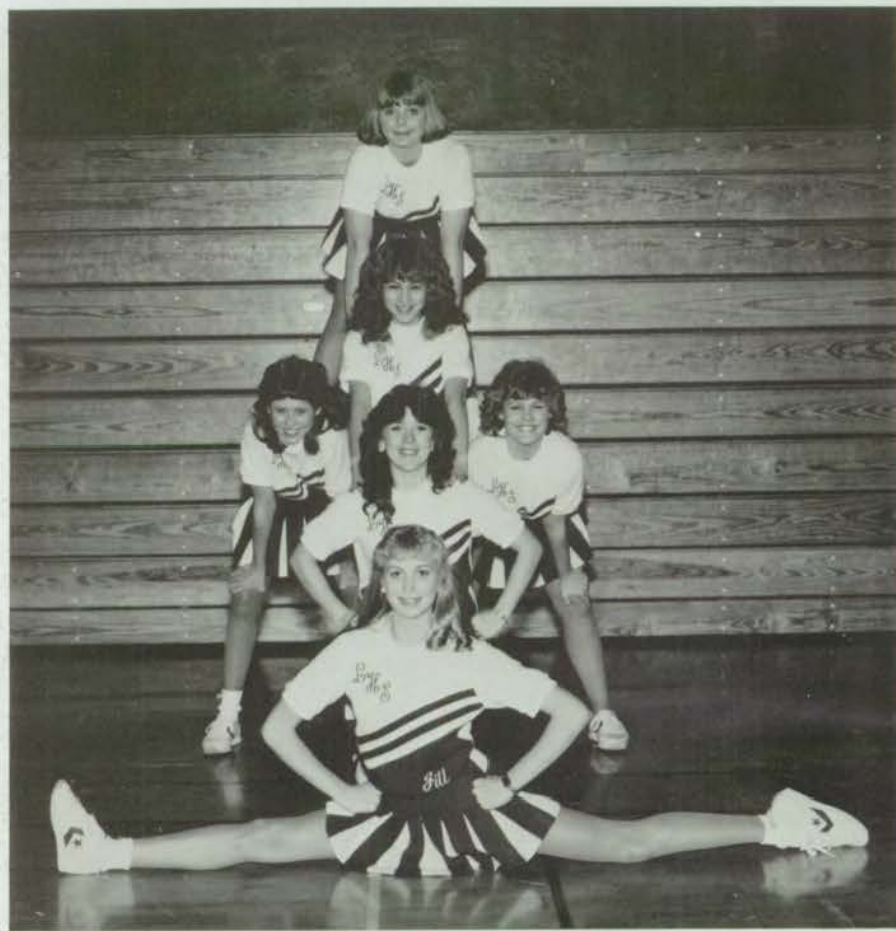

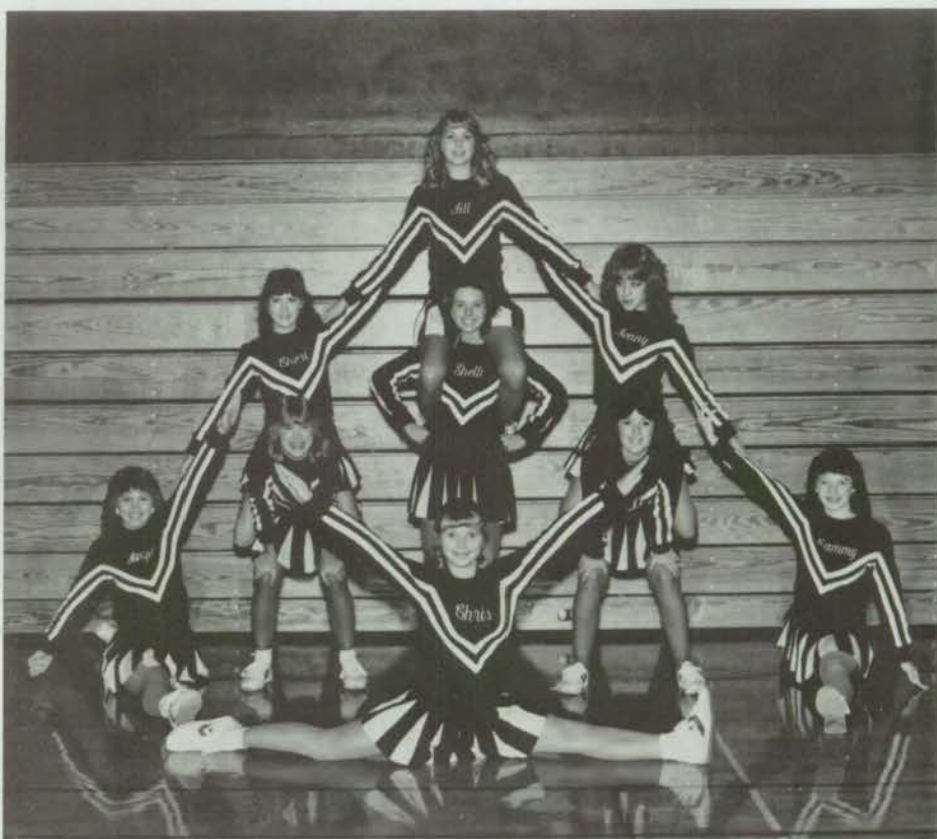

The girls soccer team ended up with a season of 7-6-1. Starting most of the games were seven seniors who will be leaving a big gap, skillwise and experience wise, for others to fill. Most valuable player was Terza Koches, most improved, Kristie Grove. Hustle award went to Lisa Elston, and tied for most inspirational were Yvette Gowey and Julie Spires.

This years boys J.V. team did better than expected. The season ended with a 6-5 record. Lydell Phillips was leading scorer, but it was a team effort that pulled them through. This years coach was Mike Bunch, who was a student teacher from O.S.U.

"Hustle" is the word that best describes this years varsity team. The highlight of the season was the 1:1 tie against South Salem, which kept the Warriors chances of going to the state playoffs alive. But after a loss to Crescent Valley those dreams were over. However, the fact that Matt Johnson, Mike Campbell and Chris Intisful were chosen for first team all-league, Allan Meyer for second team and the honorable mentioning of Lance Thill, Corey Woods and Rick Pullen shows that Lebanon had many good players.

# Rah, Rah, Rah!!!

All rallies perform a dance at a basketball pep assembly to keep the spilt bouncing. 2. Coaches, Gloria Ward and Tami DuFault keep the spirit up and show everyone they can cheer too.

The rally squads of 1984-85 did a great job under the advising of Gloria Ward and Tami DuFault. They led the cheers at games and got the crowds cheering which made the Warriors confident and very enthusiastic. Getting moves and cheers in uniform takes a lot of practice and hard work. The rallies, this year, put a lot into the routines and stunt work that were performed. Stunt work takes alot of muscles and cooperation. Jay Spence had to work out every night during football season. He had to lift girls above his head and that takes a lot of practice and work. Rally is now considered a sport, not a leisure activity. It keeps you in shape while you're having fun, just like every other sport. Varsity rally cheers for varsity sports, JV rally cheers for JV sports, and Frosh rally cheers for Frosh sports. The fall squads cheer for football, and the winter squads cheer for basketball. One of the responsibilities of the rally squads is to put on the pep assemblies. This year they did a good job and the assemblies were a success.

# Swimming 1984-85

The swim team got off to a slow start this year with so many young swimmers, but as soon as Coach Yeiter took over the team pulled together for an exciting year. The team experienced a rigorous schedule of daily doubles that started at 6 a.m. and again at 3 p.m. averaging about 3 miles a day. The team turned out to be a success after all, the newcomer of Aaron Clements was impressive with his 100 Butterfly; that time which is very good for a first year swimmer. Some other highlights were Dave Johnson's 100 Breast time of 1:02.3 which is also a new school record and gave him a 7th place finish at state. The two highlights of the year were the 200 medly relay which consisted of Kim Toomb, Sandi Andrews, Kristian Nadig and Lorlee Stalcup. They placed 17th over-all at state and had a time of 2:05.85. The coach was real pleased with the teams effort on a whole. They placed 4th as a team at District, much higher than the coach expected. Individual highlights of the season were Freshman Heather Pierson that started out slow, but really improved dropping seconds off her time in one meet. Also, Leslie Bottcher had a season best at District of 1:12.3 in her 100 Free portion of the girls 400 Relay that also consisted of Rie Kontoni, Sandi Zarro, and Shelli Uhing. They placed 8th at District. The Warriors will be a rebuilding team next year losing 4 of their top swimmers to graduation.

# Basketball

The 1984-85 Boys J.V. Basketball team got off to a really good start early in the year, according to Coach Dave Winters. The usual starting players included Kraig Pyle, Mark Hildebrandt, Kevin Govey, and Shawn Turentine. The team had an overall successful season. However, they lost a lot of midseason games due to illness. Mr. Winters felt that his players were very hard workers and played very well at times. He also said the boys could be better players if they play within their limitations and roles. "A fun group of Players," said Winters.

# Basketball

This year's Boy's Basketball team surprised many of the experts. In the pre-season poll, many had the Warriors picked to finish 7th or 8th in the league. But the Warriors competed well, and going into the last game of the season, they had a chance to be the number three team in the league. However, they lost a double-overtime thriller to Crescent Valley 55-54, and ended up tied for fourth with McNary. A playoff between the two teams was held and McNary ended Lebanon's hope for state. Awards went to: Tom Rappe and Mike Evans as most Outstanding; Doug Phillips as most Inspirational; Mike Peterson as Best Defense. Rappe was chosen to the first team All-League and Evans to the third team. Evans also broke the single season assist record with 185, and Rappe broke the record for free-throws made and attempted. The Warriors ended the season 11-10 overall.

# JV Girls Basketball

The girls JV basketball team of 1985 had a very good year under the advising of coach Jordan. Several players improved in their skills and knowledge of the game. The strength of the team was its depth. There was very strong defense played and a good offense as well. Many players contributed significantly each game, and most were capable of starting.

This year the Boy's Freshman Basketball team had a good year with many wins and some losses. Although they lost some games they still had a good year. The boys did well during the games by shooting well and playing good defense. The boys may not have been the best but they did well.

# Rookies on the move!

The Frosh girls basketball team ended the season with a record of fourteen wins and four losses. This is the best finish in the last five years.

The team was led inside by center Misty Binks and forward Cyndi Engstrom. The Fastbreak Attack was led by guards Kathleen Williams, Renee Marvin, and Deanne Freis. The team was well balanced with talent. A number of girls shared the starting role they include Carey Craig, Gayla Johnson, Lisa Collins, Penny Pulver, and Rachael Scheele.

The outlook for the future success in girls basketball looks very good. The freshman team of 1984-85 is one of good attitudes combined with speed and abilities which produce exciting basketball.

The Class of 1987 is looking forward to the 1985-86 school year when they will become JUNIORS. When asked what they thought of becoming JUNIORS they replied in many different ways:

Angie Shilling, "I think it will be pretty cool!"

Heidi Schmid, "I'll know when I'm a Junior."

Tracy Parviainen, "It will be better than being a Sophomore."

Mariette Spence, "Party?"

Missy Bishop, "Ask me when I'm a Junior."

Ronda Bertucci, "Exciting and a lot of fun."

Brian Oxford, "Harder than being a Sophomore."

David Crane, "UH ..."

Becci Crumley, "Kind of scary."

Lamar Ballweber, "When we are JUNIORS, then we only have one year left and then we are SENIORS."

Tina Gosser, "It's going to be a lot better than this year."

Laura Rose, "It's going to be great."

Coleen Walker, "No big deal."

Jenny Massey, "A LOT better than being a Sophomore."

# DECA/FBLA work for the future

This year's DECA Club (Distributive Education Clubs of America) is starting to require that attendance be taken at meetings so the President knows how many people attend each meeting. The purpose of the club is to learn how to make more money and how to manage it. The way DECA raises funds is by working and managing the student store here at the school. Also, their goal for the year is to go to State Career Development Conference and to plan a fun weekend. The officers are Jill Miller(Pres.), Jodi Fitzwater(Vice Pres.), Melinda Martinack(Sec.), and Steve Bauer(Treas.).

FBLA (Future Business Leaders of America) has fund raisers and helps charities in order to reach their goal this year of sending as many people as possible to state. The purpose of the club is to help in school and community affairs and to get students to be involved and be business leaders. The fund raisers done by FBLA are selling Val-o-grams, selling candles, and helping the March of Dimes. The officers are Lynette Molini(Pres.), Maureen Holt,(Vice Pres.), Suzanne Osterman(Sec.), Megan Holland(Treas.), and Tammy Weeks(Reporter).

# Jake the Snake

Jake The Snake, age unknown, passed away at his residence at Lebanon Union High School on Thursday, January 3, 1985. Mr. Snake was working as a biology exhibit at the time of his death. (Courtesy of Lebaon Espress.)

Jake The Snake, a 4 ½ foot long boa constrictor, was donated to the school last year following the demise of his predecessor Tongoro. When school was closed for the holiday at the end of December, Jake was left in his pin with a lot to eat and a lightbulb to keep him warm. But due to the low temperature in the building, Jake went into hibernation before he had eaten a rat. The rat became hungry and ate a part of Jake. When Biology teacher Lyle Brown returned from the holidays he found the injured snake and asked School Nurse Jerry Wentland if he would attempt surgery. Wentland performed surgery but unfortunately Jake was in too bad of shape to survive and died the next day. Jake became famous as word of his death was flashed around the world on a news wire service and noted on a Paul Harvey radio broadcast.

The theme of Leadership this year was **"Aiming High"**. In the past the leadership class has made posters and helped motivate school spirit, but this year the class has expanded to "new horizons," and has 65 students involved in the class. The class officers not only are involved, but football players, cheerleaders, and other student body members. They now have formed several committees such as the Warrior Welcome Committee chaired by Janice Pullen which is designed to welcome new students. Another program that has been formed this year is O.S.S.O.M. chaired by Maureen Holt, this program stands for Oregon Students for Safety On the Move and was designed to help prevent accidents caused by drinking and driving. The

students were in charge in a number of projects this year such as Freshmen Orientation Day, The Wellness Fair, Back-to-School Night, Staff Appreciation Day and also Winter Formal and Prom headed by Lisa Beavens and Lori Ann Cummings. The class also attended numerous workshops throughout the year such as the Eugene Fall Conference. These conferences give the students a chance to meet with students from other schools to get new ideas and projects to do for our own school, and help promote school spirit. The biggest goals the students wanted to achieve this year was to get everyone involved in something and to also include the community as well as the students in promoting school spirit.

# I.A.C. gets students involved

Top Row- Tony Seibert, Julie Spires, Robert Wattenberg, Row-2- Megan Holland, Tami Bennett, Front- Edie Geneser.

I.A.C. stands for Inter Activities Council. This is an organization of each club President in the school and they meet once a month. The duties of this committee are to get the clubs involved in school activities and interact with each other. For example some of the events the clubs have worked on together this year were the Senior Citizen's Breakfast, Spirit Week and Staff Appreciation Day. The officers that preside over this group of involved students are President- Julie Spires, Secretary- Megan Holland, Representative to Senate- Tami Bennett.

# Forensics Team speaks out

Forensic, the art of debate and public speaking is taught by Mrs. Strand and Mrs. Hamer. Since it is not a club but a competitive activity, Mrs. Strand is a head coach and Mrs. Hamer is her assistant coach. This year the team competed at 15 tournaments in various areas of debate and individual speaking. Outstanding in debate which requires a lot of research and planning were Edwina Barvosa, Kimberly Camp, Matthew Johnson, Melissa McArther and Renee Warriner. Individual events include among others, oratory speeches which are meant to persuade, extemporaneous speeches on current events and the humorous after-dinner speeches. Other events include humorous and dramatic interpretation and poetry reading. Michael Buck was the outstanding individual speaker for the year.

**To the left,** Scott Fairclough plays his electric guitar with great enthusiasm for the spirit of the Lebanon Warriors. Scott was voted "Most Likely to become a Rock Star", hopefully he will be able to pursue this hobby into a career, and later become another rock star that tours the world with his fans following his every step (like Steve Perry). Scott has combined other students in the past to form such groups as The Trend-Lebanon, Identity-Salem, and is currently working on another project with Jeff Earp. Possibly, if they could continue what they are presently doing, they could futher explore the world of music, from a different point of view, some which other people do not recognize, and realize that there is more in this world that one could do as a career and as alot of fun. But menawhile, in the present, Scott will continue the hobby of music which he enjoys so much. Scott's influences were the following: The Beatles, Journey, U2, Billy Joel, Paul Simon, Yes, and The Police. He plays many different types of instruments, such as the synthesizer, guitar, drums, vocal, piano, and the trombone. Scott says "I'd like to consider myself an accomplished song writer. There is more to life than playing the guitar for a living, yet I would like to write songs that lives longer then I do. Now that would be choice!"

Secretary-Janice Pullen

Treasurer-Chris Metcalf

The associated student body officers of LUHS led the school through the many activities throughout the year. It is their duty to help make everyone comfortable in our school, and make the year a fun and fulfilled one. To be nominated for a student body office you must first, be a senior, then get a petition and fill it with signatures from teachers and students. Ballots are then made with everyone's name who was nominated, and the seniors vote. The person with the most votes will be elected for the student body office they ran for.

**Row one-** Gina Campbell, Chris Thompson, Tami Bennett, Mike Peterson, Dave Wessels, Chris Intsiful. **Row two-** Kathy Dufault, Tabby Wells, Paige Wallace, Tina Loughmiller, Liane VanOver, Tammy Weeks. **Row three-** Kelly French, Nancy Vorderstrausse, Amy Aitkin, Molly Evans, Tim Price, Don Roosa.

**HOUSE-** The House of Representatives consists of one person from every homeroom class, which is chosen by fellow classmates and teachers, to represent that class. These representatives bring complaints and suggestions, about the school, from their homeroom, to the meetings and every issue is discussed. Many problems get solved by the many suggestions the House of Representatives receive. The officers of this club are, secretary- Kari McCammon, treasurer- Tami Bennett, senate representative- Pete Drake, and co-chairman- Jackie Orr.

**SENATE-** The Senate consists of all of the officers of the school, including the class officers and ASB officers. The chairperson of this group is the ASB president, Amy Aitkin, she has about one meeting per month to get together with the other officers and discuss the happenings around the school. They talk about the new and old business. Many problems of the school are solved by the senate taking the problems in their own hands and solving them.

The year started off with a summer yearbook workshop at OSU in August. With the budget being low only three students could go ... They were: Glynis Luttrull, Heidi Schmid and Dusty Frenzel, accompanied by Mrs. Schmidt. They learned the basics for layout, copy write up, and mostly about putting a yearbook together. When school started the annual staff were given their first assignments and deadlines. By the end of the first couple of months they were already facing many of the usual problems with meeting deadlines. By changing back to a spring book the deadlines came quicker and the staff weren't getting the pages in. At the end of the first semester classes changed and we lost some of the annual family. But we pulled together with our new staff members and tried our hardest to meet the March 1st deadline.

**Ronda Bertucci** pretends to be getting her typing done.

This years newspaper staff started out with twelve people and ended with twenty-eight. Ten of these people are on the honor role with six of them being 4.0 students. Mr. Gray feels his students are winners. They took the challenge, went for it, and turned the newspaper around. "Some men see things as they are and say, why? # Helping each other

This year, Lebanon High School has 16 cadet teachers that are working in five different schools. They are, Amy Aitkin, Andy Batten, Darrelaine Beaver, Kim Blackley, Leslie Bottcher, Amy Elder, Kristi Morgan, Teri Oxford, Tom Rappe', Andrea Smith, Brian Swanson, Kim Toomb, Nancy Vorderstrause, Yvette Gourey, and Nancy Thomas. Mr. Roy Humphrey who is responsible for those students, said that this year he has the best group he has ever had. "This program", he said, "is designed for students that are interested in education. It is a great opportunity for those who aim to be teachers, to live this experience of teaching because once in college, some students decide what school they are going to as far as going into education." Also, Amy Atkin finds this experience very exciting especially because she has to deal with little kids, who show a lot of respect to her. Amy wants to be a teacher and being a cadet teacher helped her to chose what age group she is going to work with.

1. Kristi Morgan enjoys teaching kids computer work. 2. Cadet teachers group. 3. Amy Atkin, trying to do her best says, "Do you understand?" 4. Student asks teacher Amy Atkin "Did I do okay?"

# Is The Key To Success

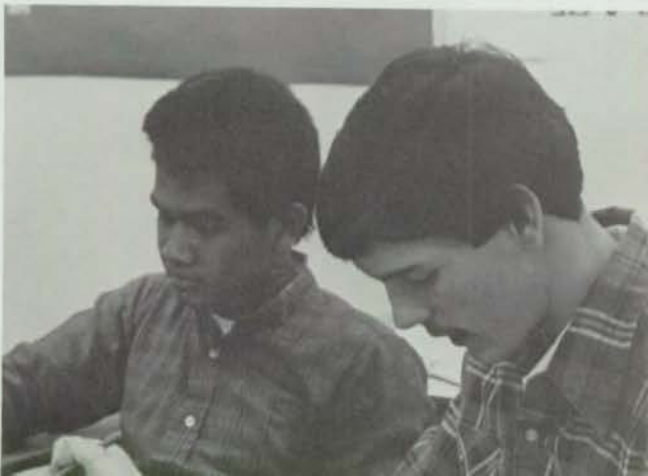

Front row: Dee Munts, Mrs. Johnson, Charlette Gaskey. Second Row: Sally Dart, Lottie Saffeeis, Yvette Gowey, Bonnie Seibert, Renee Wariner. Third row: Jon Dishaw, Jay Hörmann.

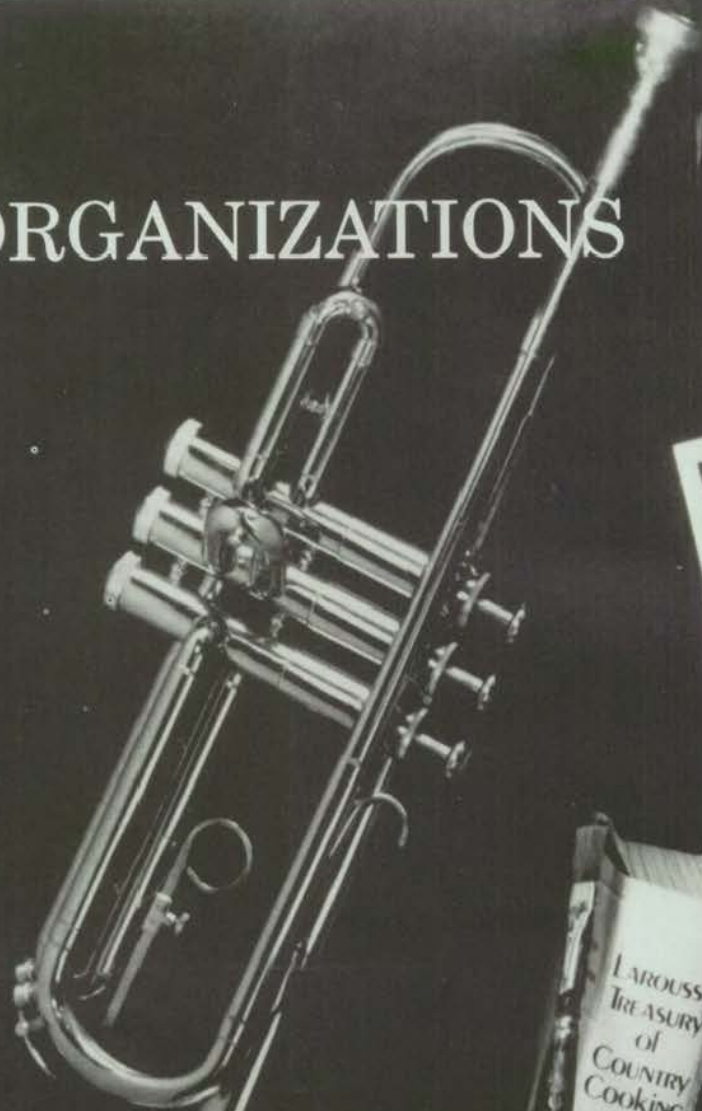

Every year a lot of L.U.H.S. students volunteer to be peer tutors in order to provide help for those who need it in certain classes; this year we have nine tutors. Mrs. Ann Johnson, their teacher, said that peer tutors are a great help especially for teachers because when a student has trouble in a certain class it's not fair for the others if the teacher spends most of their time helping the student. So peer tutors can save a lot of time, effort and frustrations. Being a peer tutor enables students to communicate and open up more and more because helping each other is the key to success.

Charlette Gaskey says to her student "Let's pretend we're working hard."

Tutor Jon Dishaw helps student Phany Mean study for his U.S. History test.

"LET THE GOOD TIMES ROLL"

during

SPIRIT WEEK 1985!!!!

February 4 thru February 8

Spirit Week 1985 is going to be a fun and exciting experience for everyone!! The schedule of days is as follows:

MONDAY -	PREPPY DAY
TUESDAY	BEACH DAY
WEDNESDAY -	50'S DAY
THURSDAY -	CLASS-Y DAY
FRIDAY -	RED AND BLUE DAY

Please be aware of this schedule and dress accordingly. Many activities have been planned, so get ready to "Let The Good Times Roll !!!!!!!!!!!!!!!"

When asked to describe the events of the year, Mrs. Smith, the Activities Director, commented: This year we are trying to have more student involvement in Leadership. We have really emphasized making people feel important, so whenever somebody does something special for the school we congratulate them with a certificate, or an arrow showing them how much we appreciate what they have done. We have also tried to make it special to be on courts, so we let the princesses know how much we appreciate them by having Pep Assemblies to honor them. In an effort to thank the staff for the work they have done, we will have Staff Appreciation Day on March 6. Another way we have shown our appreciation for people in the community; we have a Senior Citizen Breakfast for the Senior Citizens of the town. Our goals for the year are to provide services and to make LUHS a better place, where people would like to be.

# Aiming High

The Homecoming of Lebanon Union High came to a climax on Thursday night, October 11, 1984 as Queen Jackie Orr was crowned by Mr. Richie. All through the night the excitement was in the crowd, because of the game and to see who would be the lucky one to receive the honor of being the "Queen" of Lebanon's Homecoming Game. Finally the name was revealed — everyone was trembling with excitement when Mr. Richie announced Jackie Orr's name as the Queen of Lebanon Union High School. Other members of the 1984 Homecoming court were Freshmen princesses: Katherleen Williams, her escort Tim Condit, and Barbie Cantrall, her escort Brad McBride. Sophomore princesses: Chelly Hartle, her escort Jon Hutley, and Lisa Ertl, her escort Brad McKinney.

Junior princesses: Tracie Henderson, her escort Brian Daniels, and Alice Bailey, her escort Tim Cahan. Senior princesses: Jackie Orr, her escort Lance Thill; Kristi Morgan, her escort David Roe. The Homecoming came to an end at the Homecoming Dance after the victorious win over the West Albany Bulldogs, at a score of 13-3.

"It's beginning to look a lot like Christmas" is the theme for the 1984 winter formal, that took place December 15 in the Lebanon Middle School cafeteria. The winter formal court was made up of six seniors and their escorts. The formal started at 8 p.m. and ended at 11 p.m. It was a fun and exciting evening for all who attended and Heidi Bronson was crowned Queen of Lebanon winter formal. Lisa Beavens, Formal Committee Chairperson said, "The seniors worked hard. We spent a lot of time decorating the cafeteria." A lot of students came to the dance. It was filled with enjoyable festivities for everyone. The music was provided by David Boatrigh and refreshments were also available.

Royalty Court consists of 2 girls from every class, except the seniors which have 3, that is voted to be the princesses of that class. Each Princess chooses one boy to be her escort for the coronation, and to help her represent her class. Everyone votes for one senior to be crowned queen of the court. Royalty Court is an activity of spirit week and is also considered a basketball homecoming.

# Let the good times roll

Janice Pullen and Debbi Mason show their spirit.

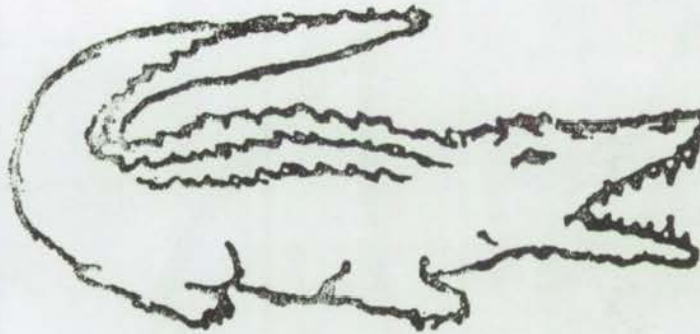

The Week of February 4 - 8 was filled with fun and excitement for the students and faculty at L.U.H.S. It consisted of a preppy day, beach day, 50's day, classy day and topping it off was red and blue day.

# CLASSY DAY

On classy day a fashion show was held in the auditorium. There were many very classy people that showed up for this great event.

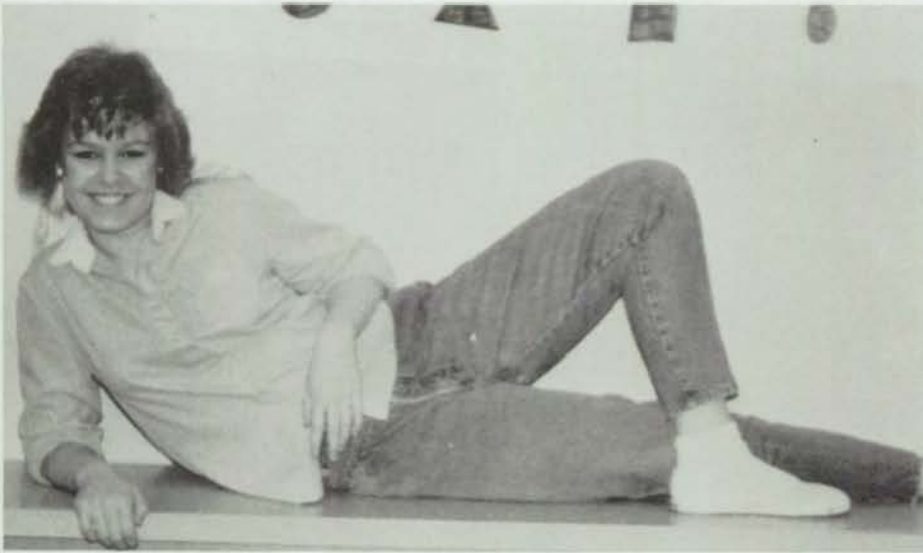

Ranee Fritz, Tami Bennett, and Dawn Arbogast modeled pretty dresses for the student filled audience.

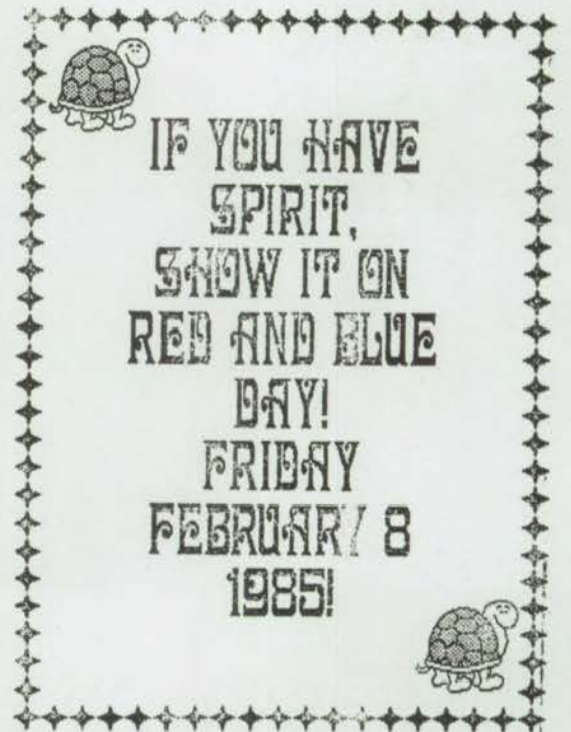

Trying not to look too cool, Heidi Schmid shows off her locker.

Heidi McKinney poses lazily for the camera.

On this last day of the week many people wore the typical blue jeans and red shirts.

# Jr. Miss 1984

Jr. Miss 1984  
Janina Pullen

R-L Tami Bennett, Leslie Bottcher, Debbie Mason, Kari Maaz, Angie Ogle, Jackie Orr, Janice Pullen, Noelle Sanchez, Larrissa Walker, Tammy Weeks.

This years Jr. Miss Pageant was a big success! 10 girls entered the pageant which is much more than last years participants. Jr. Miss is one of the highlights of many girls' Senior year because it gives them a chance to come out into the public eye and learn how to present themselves in front of an audience. The girls really had a lot of fun learning together and that was maybe the most important part of the whole program: learning to work with other people and making new friends.

Each one of the girls were required to model a school outfit, present a talent and as a group perform a physical fitness routine. This part of the program was the most fun for the girls because they were working together on stage and felt a little bit more secure than if they would've had to perform it by themselves.

For the most part the pageant was a big success for the people who put it on and for the girls who entered. Some of the highlights of the pageant were Tammy Weeks being chosen Miss Spirit, (which is like Miss Congeniality) by the girls on the court. The other highlight came at the end of the program when they announced that Janice Pullen had won the title of Jr. Miss 1984 and also received a scholarship to the college of her choice. Janice also went on to compete at the state level in Eugene in January. The annual class would like to thank The Photography Emporium for donating the individual photos on the opposite page.

Leslie Bottcher Sings a song for her talent part in the pageant.

Debbie Mason played a beautiful piece in her portion of the talent.

Noelle Sanchez did a Mexican dance for her talent.

# What's new in 84-85

1. "New wave" came out strong in the 84-85 school year at LUHS. Shell Uhing shows off her "new wave" hair cut. 2. Kim Brown models her very popular LONG COAT. 3. Jodi Bruce wears a very comfortable, but big fad, SWEATSHIRTS were the thing. 4. Teresa Gentry models cropped pants and flat shoes, which were two of the biggest items for the girls. 5. Missy McDonald displays a new fad - SIX earrings in one ear. 6. Faded pants and Florescent colors hit big in the 84-85 year as seen by Debbi Mason. 7. Larry Howard, Brad Charley, and Veryl Davis shows some moves in the very popular Break dancing business.
