

HELP THE CITY PLAN FOR THE FUTURE

Community Workshop

TOPIC: HOUSING IN LEBANON

SENIOR CENTER
80 TANGENT STREET
LEBANON, OR 97355

November 10, 2022
5:30 - 7 pm

BACKGROUND:

Providing an adequate and affordable range of housing types is a priority for the City of Lebanon. As we plan for how to provide housing for all, the **City wants to hear from you** about the need for and type of housing you'd like to see and support in your community. This workshop is open to the public.

Lebanon community members are encouraged to attend to:

- Discuss the causes of severe rent burdens, the barriers to reducing rent burdens, and possible solutions
- Provide feedback on different housing types that may be encouraged for development

Project is funded by Oregon Department of Land Conservation and Development
