FOR IMMEDIATE RELEASE
Wednesday, May 18, 2022

NOTICE OF CONSTRUCTION

Beginning Wednesday, May 25th, Vaughan Lane will be closed to through traffic from South Main Road to Quail Place. The closure is being done to allow utility and roadway construction work to be done in conjunction with a private development at the intersection of South Main Road and Vaughan Lane. It is anticipated that the closure will last into mid-July 2022. A detour route will be in place to guide motorists around the closure.

Residents within the impacted area will be afforded reasonable access but should expect short periods of time when access to individual driveways may not be possible in addition to periodic delays and other construction related inconveniences.

For continuous updates regarding construction location, please see the City of Lebanon website at <https://www.ci.lebanon.or.us/gis>.

We appreciate your patience and cooperation as we perform the necessary work. If you have any questions or concerns, please contact Engineering at 541-258-4923 or cdc@ci.lebanon.or.us.
