## **NOTICE OF CONSTRUCTION AND ROAD CLOSURE — UPDATE**

This notice serves as an update to the Notice of Construction and Road Closure issued June 15, 2022, regarding work to be performed on Vaughan Lane.

The closure on Vaughan Lane between Stoltz Hill Road and Seventh Place was originally slated to begin Wednesday, June 23, 2022. Due to delays with construction on Stoltz Hill Road, this closure will not begin until Monday, June 27, 2022. As stated in the press release from June 15, this closure is anticipated to last until mid-October.

As indicated in the previous press release, the section of Vaughan Lane from South Main Road to Quail Place is closed to through traffic (with a detour route) for a private development. This closure is still anticipated to last until July 15, 2022.

For continuous updates regarding construction locations, please see the City of Lebanon website at <https://www.ci.lebanon.or.us/gis>.

We appreciate your patience and cooperation as we perform the necessary work. If you have any questions or concerns, please contact Engineering at 541-258-4923 or [cdc@ci.lebanon.or.us](mailto:cdc@ci.lebanon.or.us).
