NOTICE OF CONSTRUCTION AND TRAFFIC IMPACT

On Friday, July 29, 2022, the City of Lebanon will have a contractor repairing a sanitary sewer manhole at the intersection of Wheeler and Williams Streets. Due to the location of the manhole in the roadway, the intersection will be controlled by flaggers. Motorists should expect short delays and other related inconveniences as the work is being performed.

We appreciate your patience and cooperation as we perform the necessary work. If you have any questions or concerns, please contact Engineering at 541-258-4923 or cdc@ci.lebanon.or.us.
