NOTICE OF CONSTRUCTION

Beginning Tuesday, January 17th, the City of Lebanon will be repairing a sanitary sewer lateral on Walnut Street between E Sherman and E Ash Streets. During construction (from 7:30 a.m. to 5:30 p.m.), Walnut Street will be closed to through traffic between E Sherman and E Ash Streets. Construction is expected to last two days.

Residents in the impacted area will be afforded reasonable access but should expect short periods of time where access to individual driveways may not be possible in addition to periodic delays and other related inconveniences.

We appreciate your patience and cooperation as we perform the necessary work. If you have any questions or concerns, please contact Engineering at 541-258-4923 or engineering@ci.lebanon.or.us.
