FOR IMMEDIATE RELEASE
Friday, August 18, 2023

NOTICE OF CONSTRUCTION AND ROAD CLOSURE UPDATE

Beginning Monday, August 21st, the excavation of Franklin Street between River Road and Russell Drive will commence to prepare the roadway for paving. This section of Franklin Street will remain closed to through traffic. This is a reminder to drivers to utilize the detour route which keeps the work zone safe and allow for construction to continue.

Residents in the impacted area will be afforded reasonable access but should expect short periods where access to individual driveways may not be possible in addition to periodic delays and other related inconveniences.

Residents are encouraged to go the City of Lebanon website at <https://www.lebanonoregon.gov/gis> for continuous updates regarding construction location and current road closures.

We thank you in advance for your cooperation and patience as we continue construction of the project. If you have any questions or concerns regarding this project, please contact Engineering at 541-258-4923 or engineering@lebanonoregon.gov.
