FOR IMMEDIATE RELEASE  
Monday, October 16, 2023

## **NOTICE OF CONSTRUCTION**

Beginning Wednesday, October 18th, the City of Lebanon will be installing a sanitary sewer lateral on 12<sup>th</sup> Street between Vine and Tangent Streets. During construction (from 7:30 a.m. to 5:30 p.m.), 12<sup>th</sup> Street will be closed to through traffic between Vine and Tangent Streets, with detours in place. Construction is expected to last two days.

Residents and businesses in the impacted area will be afforded reasonable access but should expect short periods of time where access to individual driveways may not be possible in addition to periodic delays and other related inconveniences.

Residents are also encouraged to go the City of Lebanon website at <https://www.lebanonoregon.gov/gis> for continuous updates regarding construction location and current road closures.

We thank you in advance for your cooperation and patience as we complete the repair. If you have any questions or concerns regarding this project, please contact Engineering at 541-258-4923 or [engineering@lebanonoregon.gov](mailto:engineering@lebanonoregon.gov).
