NOTICE OF CONSTRUCTION / ROAD CLOSURE

Due to scheduling conflicts and lack of crew availability, night work on Weirich Drive has been temporarily delayed. Northcore USA will continue sanitary sewer and water main installation with day crews until further notice. Flaggers will be on site to direct traffic around the work zone. When a schedule can be determined for night work, an updated construction notice will be issued.

Residents are also encouraged to go the City of Lebanon website at <https://www.lebanonoregon.gov/gis> for continuous updates regarding construction location and current road closures.

We thank you in advance for your cooperation and patience as we continue construction of the project. If you have any questions or concerns regarding this project, please contact Engineering at 541-258-4923 or engineering@lebanonoregon.gov.
